

Offer some fun activities to raise those extra dollars at your Pink Ribbon Breakfast

Guess the childhood photo

Encourage your guests to bring a photo of themselves as a baby. The other guests must guess who they are. A small donation could be made for each incorrect answer.

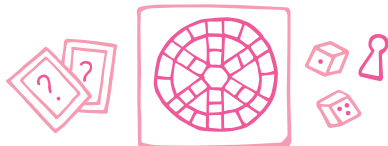

Auction

If you have a great MC and plenty of prizes, consider adding an auction to your event. Live auctions can create a great buzz in the room!

Guess how many marshmallows in the jar

Fill a large jar with pink and white marshmallows, ask your guests for a donation per guess and the closest guess wins the whole jar! Decoration and fundraising prize in one!

Trivia

Get your guests to show their competitive side by adding a round of trivia into your breakfast. We have made some special quizzes especially for you. Pick from Pink in Pop Culture, Pink Breakfast, Breast Cancer Education or try your hand at making your own! Ask guests for a donation to take part.

Show off your pinkest outfit

Consider adding a theme to your breakfast it could simply be asking your guests to come dressed in their pinkest ensemble. Roll out the pink carpet, get the ladies to strut their stuff down the hallway or office floor. Extra points if you can get the men involved!
